Painted Desert Series.

The Painted Desert encompasses over 93,000 acres and stretches more than 160 miles. It took millions and millions of years for nature to create the extravagantly beautiful palette found in the long expanse of the badland hills and buttes. The handle material of these knives mimics the rich colors and swirling patterns found in the Painted Desert. Knives have 440 stainless blades and celluloid handles with grooved nickel silver bolsters and acorn inlay shield.
